THANK YOU A W GOLDEN

As everyone knows by now, the economy has had a devastating effect on General Motors. AW Golden ended up on the closure list and that meant they could no longer sponsor SDC. So, we bid a fond farewell and wish all our friends at AWG the very best. It must be noted that in the face of all the economic trouble AWG came through and presented SDC with a check for \$500. This was their commitment to the SDC invitational. It might have been a little late, but it showed they wanted to honor their promises. So thank you A W Golden.

IN-VETTE UPDATE

by Ted Stalnecker

We've had two In-Vette meetings with great participation and we've gotten a lot done. This year's show will be held on Saturday July 10, 2010, rain or shine, at our new sponsor's location, Bob Fisher Chevrolet. This will be a fun show with participation judging excluding SDC members. Registration starts at 9am to noon, show noon to three. We are excited about the partnership between SDC & Bob Fisher Chevrolet for they have a 'can do' attitude towards this event!

The Chinese auction and drawings are an important part of this event. Sue Snyder will be dividing up the county into regions for club members to help out in acquiring items for the auction. We ask for your help in this area, please contact Sue for instructions. Letters will be available at the next meeting for business contacts.

We are doing something different this year to keep the day moving. We are looking to hold mini (informal) seminars from a collection of people within our club, Bob Fisher staff, and vendors. These seminars could be Corvette specific or general automotive subjects that would be of interest to participants and spectators alike. It was also recommended to have a few subject matters that would be of interest to women. If you would be willing in hosting a seminar please contact Ted Stalnecker.

2009 IN-VETTE FINANCIAL UPDATE

The AW Golden payment (see page 1) will change the final tally for he 2009 In-Vette. The payment came too late, however, to be included in the final financial report. The report should have shown the In-Vette with a net positive \$2622 vs. a \$2000 budget. Great job 2009 In-vette committee!

FROM THE PRESIDENT

by Kerry Koch

Hope everyone is enjoying the great weather. Don't you just love the snow? We managed to get the February meeting in between the snow storms and the attendance wasn't too bad for a cold February evening. Fausnacht Day has come and gone and that only means one thing, Spring is just around the corner (as soon as the snow melts). The Activity Committee is working on a few ideas to help fill this coming Corvette season with a few more activities other then shows and parades. Hopefully some of these will interest more of the members to come out and just enjoy driving and fellowship within the club. Remember, any club member can organize an activity. Present your ideas to the board or if you're not sure how to proceed, check with a board member or the Activity Committee.

Hope to see more of you at the March meeting. Maybe by then the snow will be gone.

SDC ACTIVITIES COMMITTEE INAUGURAL MEETING

The first meeting of the SDC Activities Committee was held on Tuesday, February 16. Committee members consist of Janet Blankenbiller (chairman), Craig Deyer (co-chairman), Sue Crupi, Barbara Helm, Richard Bare, Barry Goodhart, and Charlie Weaver.

Reinstatement of several past favorite activities was #1 priority. These include the semimonthly ice cream runs and the golf outing (fun rules). Additional activities discussed included car cruises, rallies, sports activities, and special dining. These items were tabled for future discussion.

As always, if a member has a special idea or opportunity for the club, they are encouraged to either personally pursue setting up that function or now they can request assistance from the Activities Committee.

Watch the newsletter for the scheduling of upcoming activities. Join in the fun and help make this an active Corvette Summer.

SNAIL MAIL NEWSLETTER ISSUE

The Board of Directors has approved a policy whereby snail mail recipients will receive a special mailing in early May. This mailing will include 3 documents. They are: 2010 membership renewal form, Invettetational flyer, and the Vettes for Pets flyer. You will not be getting these forms in your newsletter. If you wish to get any of these forms before May, they will be available at the general club meeting. Email recipients will get these forms attached to their newsletters at least 2 times.
